TERMS & CONDITIONS OF SALE

These Honeywell terms and conditions of sale ("**Terms and Conditions**") are effective May 5, 2022 (the "**Terms and Conditions Effective Date**"), and supersede all prior versions covering the sale of products and related services (collectively, "**Products**") by Honeywell International Inc.'s Fire Systems, Security Systems and Building Management Systems business units and its affiliates that operate in the country in which the selling Honeywell entity is registered (collectively, "**Honeywell**", "**we**", "**us**", or "**our**"). References to "**Buyer**", "**you**", or "**your**" all pertain to the purchaser of Products. These Terms and Conditions, together with any separate agreement you may have with Honeywell that specifically references these Terms and Conditions (collectively, the "**Agreement**") set forth the entire agreement between the parties relating to your purchase of Honeywell Products. The Agreement may only be modified by an authorized representative of each party in a signed writing.

1. ORDERS. Orders (including any revised and follow-on orders) (each, an "**Order**") for Honeywell Products are non-cancelable except as expressly set forth herein and will be governed by the terms of the Agreement. Every Order must include:

- a. Order number;
- b. Buyer's legal name and address;
- c. Addresses for shipping and invoicing, if different;
- d. List of Products and quantities for each different type of Product;
- e. Price per Product (in the relevant currency); and
- f. Buyer's approved payment terms.

All Orders are subject to acceptance or rejection by Honeywell. Honeywell's acknowledgment of receipt of an order shall not constitute acceptance of such order, and an Order is deemed to be accepted upon the earlier of (i) Honeywell's written acceptance or (ii) shipment of the Products specified in the Order.

Honeywell's sale of Products is expressly limited to the terms herein, save any changes that the parties explicitly agree to in any separate written agreement signed by the parties' authorized representatives. Any conflicting, additional, and/or different terms or conditions on Buyer's Order or any other instrument, agreement, or understanding are deemed to be material alterations and are rejected and not binding upon Honeywell. Honeywell's acceptance of Buyer's Order is expressly conditioned upon Buyer's assent to the terms and conditions contained herein in their entirety. Buyer's acceptance of delivery from Honeywell constitutes Buyer's acceptance of these terms and conditions in their entirety. A valid Order number is required before processing; any Order received without one will be returned to the Buyer. Orders received prior to 4:00 PM ET will be processed the same day.

2. SOFTWARE PRODUCTS. All software Products delivered by Honeywell to Buyer, including, without limitation, SaaS and PaaS licenses or Products that have embedded software (collectively, "**Software**") are not sold and are subject to separate software license terms provided by Honeywell with such Software. In no event shall Buyer have any right to (or authorize or allow any third party to) distribute, sell, lend, rent, transfer, or convey the Software; grant any sublicense, lease, or other rights in the Software; decompile, disassemble, reverse engineer, or otherwise attempt to reconstruct, identify, or discover any source code, underlying user interface architecture or techniques, or algorithms of the Software by any means; or take any action that would cause the Software or any portion of it to be placed in the public domain. In the event of a conflict between the terms of any Software license terms provided upon download or purchase and this Agreement, the relevant license terms shall control solely with respect to Software.

3. PRICING.

a. Prices, terms, conditions, and Product or Service specifications are subject to change without notice; provided, however, that Honeywell will endeavor to provide at least thirty (30) days' written notice of any changes. Pricing is subject to immediate change upon announcement of Product discontinuance.

b. Honeywell reserves the right to monitor Buyer's Orders during the period between notification of and the effective date of any price increase, if any. If the volume of Buyer's Product Orders during that time period is two percent (2%) higher or lower than forecasted or historic purchases over the prior twelve (12) months, Honeywell reserves the

right to charge the increased price on the excess Products, or, in the case of fewer purchases, to charge the increased price on the entire Order. For Orders placed but not yet delivered, including Orders on backlogged or with long lead-times of twelve (12) months or longer, prices are subject to adjustment in Honeywell's sole discretion once during each sixty (60) day period following the Order date until such Order is delivered in full.

c. All Orders with price deviations or promotional pricing require the appropriate promotion or deviation code (competitive price request code correlating to the approved discount from a discount agreement with Honeywell). Any Orders with price discrepancies that do not contain a promotion or price deviation code will receive a price discrepancy notice from Honeywell Customer Service for resolution. Buyer has 48 hours to provide an updated Order or accept Honeywell's pricing (in writing); otherwise, the Order will be cancelled. Please refer to the Honeywell Price List (or consult your Honeywell representative for your specific codes).

4. SURCHARGES.

a. Honeywell may, from time to time and in its sole discretion, issue surcharges on Orders in order to mitigate and/or recover increased operating costs arising from or related to: (a) foreign currency exchange variation; (b) increased cost of third-party content, labor and materials; (c) impact of duties, tariffs, and other government actions; and (d) increases in freight, labor, material or component costs, and increased costs due to inflation (collectively, "Economic Surcharges"). Economic Surcharge shall not exceed 15% from the total Order value. Such Economic Surcharge does not apply if the Order is to be delivered upon within four (4) weeks after the Order has become binding.

b. Honeywell will invoice Buyer, through a revised or separate invoice, and Buyer agrees to pay for the Economic Surcharges pursuant to the standard payment terms in this Agreement. If a dispute arises with respect to Economic Surcharges, and that dispute remains open for more than fifteen (15) days, Honeywell may, in its sole discretion, withhold performance and future shipments or combine any other rights and remedies as may be provided under this Agreement or permitted by law until the dispute is resolved.

c. The terms of this section shall prevail in the event of inconsistency with any other terms in this Agreement. Any Economic Surcharges, as well as the timing, effectiveness, and method of determination thereof, will be separate from and in addition to any changes to pricing that are affected by any other provisions in this Agreement.

5. ORDER MODIFICATIONS. Buyer may request add-ons or changes to quantities in an Order within 24 hours of Order placement (or later in Honeywell's sole discretion), provided that the Order is open and not in a shipping status or closed, and subject in full to (i) Honeywell's right to accept or reject such request in its sole discretion, and (ii) any price or schedule modification that may be required by the change request, as determined by Honeywell in its sole discretion.

6. MINIMUM ORDER QUANTITIES & MANUAL ORDER RESTRICTIONS. Depending on Buyer's local region and the Products being purchased, Honeywell may impose a minimum order value and processing fees for orders below that threshold. Honeywell may also charge processing fees for orders placed manually and not through its ecommerce website.

7. DELIVERY/SHIPPING TERMS.

a. **Delivery Liability.** Delivery and shipment dates for Products are estimates only. Deliveries may be made in partial shipments. Honeywell and its affiliated entities are not liable, either directly or indirectly, for delays of carriers or delays in connection with any Force Majeure Event (as defined in Section 27 below), and the estimated delivery date shall be extended accordingly. Honeywell will not be liable to Buyer or any third party for any damages or penalties whatsoever, whether direct, indirect, special or consequential (including, without limitation, liquidated damages in your contracts with your Customers), resulting from Honeywell's failure to perform or its delay in performing, unless otherwise agreed in a signed writing by an authorized representative. Buyer is, however, liable for any delays or increased costs incurred by Honeywell caused by Buyer's acts or omissions. This includes, but is not limited to, Buyer being billed for any costs Honeywell incurs for redirecting shipments due to any incorrect information or address you or your representatives provide.

b. Delivery Charges. Delivery terms for Products (excluding software and services) are EX Works (EXW Incoterms 2020) Honeywell's point of shipment ("**Honeywell Dock**") for all shipments (except that Honeywell is responsible for obtaining any export license). For shipments from a Honeywell Dock to a Buyer location within the same country, the import/export provisions of the INCOTERMS do not apply. Buyer will be invoiced for all shipping, handling, customs, insurance, and similar charges incurred by Honeywell in shipping Products to Buyer, and Buyer shall pay such charges pursuant to the agreed-upon payment terms. Honeywell reserves the right to ship Products to Buyer freight collect.

c. Early Delivery & Future Delivery. Honeywell will schedule delivery in accordance with its standard lead times unless the Order states a later delivery date or the parties otherwise agree in writing. Orders will be accepted with a future ship date of up to twelve (12) months from the date of order entry, unless otherwise agreed to by the parties. Honeywell reserves the right to ship orders earlier than scheduled delivery dates. Early shipments will be processed using the same method and carrier identified in the order. You may Opt-Out of this Early Delivery. Send your formal written Opt-Out request to the attention of the relevant Honeywell Customer Service Manager.

d. Risk of Loss. Risk of loss or damage to the Products (excluding software and services) passes to Buyer when Honeywell places the Products at Buyer's disposal at the Honeywell Dock ("**Delivery**"). Title to goods passes to Buyer upon Delivery, but Honeywell retains a security interest in such goods until full payment is received. Honeywell will schedule Delivery (and use commercially reasonable efforts to ship) in accordance with its standard lead time unless Buyer's Order requests a later delivery date, or Honeywell agrees in writing to an earlier delivery date.

8. CUSTOM ORDERS. Special or custom Orders ("**Custom Orders**") for products not listed in Honeywell's standard price list are non-cancelable. In the event of a cancellation of all or part of certain Orders, Buyer will be responsible for the full order. It will be shipped and billed accordingly. Custom Orders may also be subject to different minimum order quantities.

9. PRODUCT CHANGES & DISCONTINUANCE. Manufacturer has a policy of product improvement and reserves the right to change or discontinue any Product at any time. Honeywell may, at its sole discretion, also make such changes to Products previously delivered to Buyer. Where products have been discontinued, Buyer should consult Honeywell regarding availability of replacement parts, repairs, and associated charges.

10. CANCELLATIONS. All custom, special, or made-to-order Orders, Orders for third-party products, and Orders placed after notice of product discontinuance are non-cancelable and nonreturnable. In no event may an Order be cancelled where the order is in a shipping status, closed, or where the raw materials for Products have been committed to at the factory or with a vendor. Honeywell may cancel Orders at any time prior to shipment.

11. PAYMENT.

a. Invoices. Unless Company has been approved for credit terms by Honeywell, payment for all orders will be made at the time of order placement. To the extent Buyer has been approved for credit terms, Honeywell will invoice Buyer for Products sold to Buyer upon shipment, with partial shipments being invoiced as they are shipped. If Buyer is purchasing Software Products, Honeywell will invoice Buyer according to the terms of the relevant software agreement with Honeywell.

b. Payment. Subject to Section 11(a) or any separate, written agreement Buyer may have with Honeywell, payment is due thirty (30) calendar days from date of any invoice and must be made in U.S. currency, unless agreed otherwise in writing signed by the parties' authorized representatives. Payments must be accompanied by remittance detail containing at a minimum the invoice number and amount paid per invoice ("**Remittance Information**"). Honeywell reserves the right to (i) invoice Buyer a service fee in the amount of \$500 for each occurrence for its failure to include the Remittance Information, and (ii) apply any payment made by Buyer without Remittance Information against any Buyer invoice(s) outstanding in its sole discretion.

c. Payment Disputes. Any disputes must be provided to Honeywell as soon as possible and must be accompanied by detailed supporting information. Disputes as to invoices are deemed waived fifteen (15) days following

the invoice date. In the event that any portion of an invoice is undisputed, such undisputed amount must be paid by no later than the invoice due date.

d. Remedies for Nonpayment. If Buyer is delinquent in its payment obligation to Honeywell, Honeywell may refuse to take any additional Orders from Buyer and/or withhold performance until all delinquent amounts and late charges are paid. Honeywell may also, at its option: (a) repossess Products for which payment has not been made; (b) impose a late charge on delinquent amounts at the lower of 1.5% per month or the maximum rate permitted by law, for each full or partial month in which payment is overdue; (c) recover all costs of collection, including but not limited to reasonable attorneys' fees; (d) withhold any amounts payable to Buyer (including any applicable rebate payments); and (e) combine any of the above rights and remedies as may be permitted by applicable law. In the event an invoice (i) is not disputed in a timely and good faith, and (ii) has not been timely paid by Buyer in accordance with this Section, the purchases to which such invoice relates shall be deemed disqualified from any benefits under any program that Honeywell may make available from time to time (including, without limitation, co-op funds, rebates, and other growth-based incentives). These remedies are in addition to all other remedies available at law or in equity. This Section will survive expiration or any termination of the Agreement.

e. Modification of Credit Terms. Honeywell may reevaluate Buyer's credit standing at all times. If payment is not made timely or Honeywell reasonably determines in its sole discretion that Buyer fails to qualify for the above payment terms at any time, then Honeywell may without notice to Buyer suspend production, shipment, or delivery; modify or withdraw credit terms, including but not limited to requiring advance payment or guarantees, or other security; or terminate any program or other benefits.

f. Assignment of Receivables. Honeywell may assign its rights relating to payment for sales made under this Agreement without Buyer's consent and notwithstanding any confidentiality obligations and may provide any purchaser of any such rights information and documents reasonably related to such sales, provided such purchaser has a confidentiality agreement in place with Honeywell that precludes disclosure of any Buyer confidential information to any third party without Buyer's consent.

g. Credit Card Payments. Credit Card payments will only be accepted on orders placed online. Online orders may not be modified once submitted. In the event there is credit due back to you in connection with any order paid by credit card, the credit will be posted to your account only. No credit will be issued back to the credit card. Pre-payment or prompt payment discounts are not applied to orders paid by credit card. Credit card payments will be accepted when applied to the entire amount due on an order; partial payment of orders by credit card will not be processed. Payments by credit card have at least a seven (7) day authorization period, meaning that after order is cancelled, the payment will remain pending on the credit card account for the authorization period. Contact your credit card provider for details of your authorization period. If your credit card has to be reauthorized for any reason after an order is submitted, you will be charged additional fees. Only United States credit cards are accepted.

12. SET OFF. Neither Buyer nor its affiliated entities (nor any representative or agent thereof) shall attempt to set off or recoup any invoiced amounts or any portion thereof against other amounts that are due or may become due from Honeywell, its parent, affiliates, subsidiaries or other legal entities, business divisions, or units.

13. TAXES. Honeywell's pricing excludes all taxes (including but not limited to sales, use, excise, value-added, and other similar taxes), tariffs and duties (including, but not limited to, amounts imposed upon the Product(s) or bill of material thereof under any Trade Act, including, but not limited to, the Trade Expansion Act, section 232 and the Trade Act of 1974, section 301) and charges (collectively "**Taxes**"). Buyer will pay all Taxes resulting from the Agreement or Honeywell's performance under the Agreement, whether imposed, levied, collected, withheld, or assessed now or later. If Honeywell is required to impose, levy, collect, withhold, or assess any Taxes on any transaction under the Agreement, then in addition to the purchase price, Honeywell will invoice Buyer for such Taxes unless, at the time of Order placement, Buyer furnishes Honeywell with a valid exemption certificate or other documentation sufficient to verify exemption from the Taxes, including, but not limited to, a direct pay permit. If any Taxes are required to be withheld from amounts paid or payable to Honeywell under this Agreement, (i) the amount due to Honeywell will be increased so that the amount Honeywell receives, net of the Taxes withheld, equals the amount Honeywell would have received had no Taxes been required to be withheld, (ii) Buyer will withhold the required amount of Taxes and pay such Taxes on behalf of Honeywell to the relevant taxing authority in accordance with applicable law, and (iii) Buyer will forward proof of such withholding sufficient to establish the withholding amount and recipient to Honeywell within sixty (60) days

of payment. In no event will Honeywell be liable for Taxes paid or payable by Buyer. This Section will survive expiration or termination of the Agreement.

14. LIMITED WARRANTY. BUYER'S EXCLUSIVE REMEDIES AND HONEYWELL'S SOLE LIABILITY AS TO ANY WARRANTY CLAIM ON ANY PRODUCT SOLD IN CONNECTION WITH THIS AGREEMENT IS AS SET FORTH IN THIS SECTION. SUCH REMEDIES ARE IN LIEU OF ANY OTHER LIABILITY OR OBLIGATION OF HONEYWELL, INCLUDING WITHOUT LIMITATION ANY LIABILITY OR OBLIGATION FOR DAMAGE, LOSS, OR INJURY (WHETHER DIRECT, INDIRECT, EXEMPLARY, SPECIAL, CONSEQUENTIAL, PUNITIVE OR INCIDENTAL) ARISING OUT OF OR IN CONNECTION WITH THE DELIVERY, USE, OR PERFORMANCE OF THE PRODUCTS. CREDIT, REPAIR OR REPLACEMENT (AT HONEYWELL'S OPTION) IS THE SOLE REMEDY PROVIDED HEREUNDER. NO EXTENSION OF THIS WARRANTY WILL BE BINDING UPON HONEYWELL UNLESS SET FORTH IN WRITING AND SIGNED BY A HONEYWELL AUTHORIZED REPRESENTATIVE

a. Product Warranty Terms. Subject to compliance this Section 14, Honeywell warrants that the Products (excluding Software) will be free from defects in workmanship and materials for the relevant period of time published by Honeywell on the relevant Product website or in a separate Agreement between Honeywell and Buyer (the "**Warranty Period**"). This limited warranty does not cover defects caused by normal wear and tear or maintenance. Honeywell's sole liability and Buyer's exclusive remedy, which shall be determined in Honeywell's sole discretion, is limited to replacement or repair of the relevant Product(s) or a credit for the purchase price of the relevant Product, less depreciation. The Warranty Period does not restart for replacement Products, and any replacement Products will only be warranted for the remainder of the original Warranty Period, if any.

b. Services Warranty. Services shall be performed in a professional and workmanlike manner warranted for ninety (90) days from the date services are performed (the "**Service Warranty Period**"). Honeywell's obligation and Buyer's sole remedy under this warranty is that Honeywell will correct or re-perform defective services or refund fees paid for the services, at Honeywell's sole election, if Buyer notifies Honeywell in writing of defective services within the Service Warranty Period. All services re-performed are warranted for the remainder of the original Service Warranty Period.

c. Warranty Exclusions. THIS WARRANTY IS VOID WITH RESPECT TO ANY PRODUCT OR SERVICE THAT IS:

- i. Software;
- ii. altered or repaired by anyone other than Honeywell's authorized employees or agents;
- iii. installed, used, serviced, or maintained in a manner that fails to conform with Honeywell Product documentation or training;
- iv. lost or damaged, tampered with, or destroyed due to (I) rough or negligent treatment of the Product (including, without limitation, damage during shipment back to Honeywell caused by improper packaging on return); (II) an act of God (including, without limitation, lightning or related voltage surges); or (iii) any other cause not within Honeywell's control, including, without limitation, Buyer's failure (or that of its Customers) to apply required or recommended updates or patches to any Software or device in the Product's network environment.

d. Procedure for Warranty Claims. If, during the applicable Warranty Period, Buyer believes there is a defect in material or workmanship covered by the relevant Product warranty, Buyer must immediately discontinue use and notify Honeywell. Written authorization from Honeywell, including a Returned Material Authorization ("**RMA**") number, must be obtained prior to returning any Product(s) to Honeywell for warranty assessment. Return shipments and insurance must be prepaid by Buyer, include the RMA number, and be appropriately packed. Upon receipt of any such Product during the applicable Warranty Period, Honeywell shall, at its expense, (i) examine the product to verify the alleged defect, (ii) in Honeywell's sole discretion, credit Buyer or repair or replace any defective Product, including shipment of such replacement or repaired Product back to Buyer (at Honeywell's expense). Honeywell will credit Buyer for its return shipping costs for any defective Products, but Buyer will be responsible for paying any customs or import duties payable upon receipt of any repaired or replacement Products and also paying Honeywell a standard testing charge for any Products not found to be defective.

e. WARRANTY DISCLAIMERS.

- i. SOFTWARE AND ANY ACCOMPANYING DOCUMENTATION IS PROVIDED “AS IS” WITHOUT ANY WARRANTY OF ANY KIND AS TO DEFECTS OR FUNCTIONALITY. BUYER BEARS ALL RISK AS TO SOFTWARE AND HONEYWELL MAKES NO WARRANTIES IMPLIED OR ACTUAL REGARDING ANY OF ITS SOFTWARE OR DOCUMENTATION.
- ii. HONEYWELL MAKES NO REPRESENTATION OR WARRANTY OF ANY KIND AS TO THE SECURITY AND FUNCTIONALITY OF THE PRODUCTS OR THAT THE PRODUCTS WILL PREVENT ANY PERSONAL INJURY OR PROPERTY LOSS, FIRE OR OTHERWISE; OR THAT THE PRODUCTS WILL IN ALL CASES PROVIDE ADEQUATE WARNING OR PROTECTION. BUYER UNDERSTANDS THAT PROPERLY INSTALLED AND MAINTAINED PRODUCTS MAY ONLY REDUCE THE RISK OF FIRE, THEFT, PROPERTY DAMAGE OR OTHER EVENTS OCCURRING WITHOUT THE PRODUCTS, BUT IT IS NOT INSURANCE OR A GUARANTEE THAT SUCH WILL NOT OCCUR OR THAT THERE WILL BE NO PERSONAL INJURY OR PROPERTY LOSS AS A RESULT.
- iii. THE EXPRESS WARRANTIES OF HONEYWELL STATED HEREIN DO NOT APPLY TO PRODUCTS NOT MANUFACTURED BY HONEYWELL, SOFTWARE, CONSUMABLE ITEMS (E.G., PAPER AND RIBBONS), SPARE PARTS, OR SERVICES. THE WARRANTIES, IF ANY, APPLICABLE TO ANY SOFTWARE OR SOFTWARE COMPONENT SHALL BE SOLELY AS STATED IN SUCH OTHER LICENSE AGREEMENT OR DOCUMENT. HONEYWELL MAKES NO WARRANTIES THAT THE SOFTWARE COMPONENTS OF ANY PRODUCT WILL OPERATE IN CONJUNCTION WITH ANY OTHER SOFTWARE OR WITH ANY EQUIPMENT OTHER THAN THE PRODUCTS. BUYER ACKNOWLEDGES THAT HONEYWELL HAS NO OBLIGATION TO PROVIDE ANY FORM OF CYBERSECURITY OR DATA PROTECTION RELATING TO THE OPERATION OF THE PRODUCT OR THE NETWORK ENVIRONMENT. BUYER FURTHER ACKNOWLEDGES THAT HONEYWELL HAS NO OBLIGATION TO GUARANTEE CONTINUED OPERATION AND FUNCTIONALITY OF THE PRODUCT BEYOND THE STATED LIFECYCLE OF THE PRODUCT.

15. TRAINING. To the extent Buyer purchases training from Honeywell with respect to any Products, cancellations without penalty are only permitted more than fifteen (15) days prior to the date of the training. Buyer would be eligible to receive a fifty percent (50%) credit for cancellations made between fifteen (15) and ten (10) days in advance of the training. Cancellations made by Buyer with ten (10) or fewer days prior to the scheduled training will not receive any credit and will result in Buyer forfeiting all enrollment fees. Extenuating circumstances will be considered on an individual basis.

16. TECHNICAL ADVICE. Any recommendation or assistance provided by Honeywell concerning the use, design, application, or operation of a Product shall not be construed as representations or warranties of any kind, express or implied, and such information is accepted by Buyer at Buyer's own risk and without any obligation or liability to Honeywell. It is the Buyer's sole responsibility to determine the suitability of a Product for use in Buyer's application(s). The failure by Honeywell to make recommendations or provide assistance shall not give rise to any liability for Honeywell.

17. INTELLECTUAL PROPERTY RIGHTS. Honeywell retains for itself (or, if applicable, its suppliers) all rights, title and ownership in and to all Products and accompanying documentation, including, without limitation, all rights in patents, copyrights, trademarks, and trade secrets related thereto. Buyer shall not attempt any sale, transfer, sublicense, reverse compilation, disassembly, or redistribution of Products (including Software Products) except as expressly permitted herein or by mandatory intellectual property laws.

18. INDEMNIFICATION. In addition to any other Buyer indemnification obligations in Section 21 (Liability Disclaimer for Buyer Services) and Section 26(Compliance with Applicable Law and Code of Business Conduct) of this Agreement, Buyer will indemnify, defend, and hold Honeywell and its related entities (including, without limitation, their respective directors, officers, employees, and representatives) (collectively, “**Honeywell Indemnitees**”) harmless against third-party allegations, claims, damages, settlements, penalties and costs, including without limitation attorneys' fees (collectively, “**Claims**”) arising out of Buyer's negligence or willful misconduct due to any act or omission under the Agreement or Buyer's breach of its obligations under the Agreement. In connection with these indemnification obligations, Buyer agrees to the following “**Indemnification Procedures**”: (a) Buyer will be entitled to control the defense and Honeywell shall give prompt notice of any such claim; (b) at Buyer's expense, Honeywell will reasonably

cooperate in defense of the claim including, but not limited to, promptly furnishing Buyer with all relevant information within its possession or control; (c) Honeywell may participate in the defense at its own expense and through counsel of its choosing; and (d) Buyer may not enter into any settlement, assume any obligation, or make any concession without the prior written approval of Honeywell, which approval may not be unreasonably withheld, conditioned or delayed.

19. PATENT & COPYRIGHT INDEMNIFICATION. Honeywell will defend and indemnify against any third-party suit alleging that any Products, as delivered by Honeywell, directly infringes any patent or copyright; provided that Buyer notifies Honeywell when it is apprised of the claim and provides complete authority, information, and assistance (at Honeywell's expense) as to the defense and disposition via counsel of Honeywell's choice. Honeywell will not be responsible for any compromise, settlement, attorneys' fees, expenses, damages, or costs incurred by Buyer without Honeywell's involvement and prior, written consent. Honeywell has no obligation or liability for claims arising out of the following: (a) Products made to Buyer's designs, drawings, or specifications; (b) use of Products in a manner not supported by the applicable documentation; (c) combination or use of any Product with materials not furnished by Honeywell; (d) use of a version of any Software Product other than the current version; or (e) any alteration, customization, or other modification of the Product other than by Honeywell. Further, Buyer agrees to defend, indemnify and hold the Honeywell Indemnitees and its related entities harmless against any claim of infringement resulting from those circumstances set forth in subparagraphs (a), (b), (c), (d), and (e) of this Section, as per the Indemnification Procedures of Section 18 (Indemnification). If a claim of infringement is made for which Honeywell has indemnification obligations or if Honeywell believes that such a claim is likely, Honeywell may, at its sole option and expense, (i) procure for Buyer the right to continue using the Product; (ii) replace or modify the Product so that it is non-infringing; or (iii) require Buyer to return the Product (and terminate Buyer's license to the same) in exchange for a credit of the purchase price or license fee, less reasonable depreciation. Further, Honeywell may cease shipping Products it believes may be subject to a claim of infringement without being in breach of the Agreement. This Section shall be subject to Honeywell's rights under Section 20 (Limitation of Liability). THIS PROVISION STATES THE PARTIES' ENTIRE LIABILITY, SOLE RECOURSE, AND THEIR EXCLUSIVE REMEDIES WITH RESPECT TO CLAIMS OF IP INFRINGEMENT. ALL OTHER WARRANTIES AGAINST INFRINGEMENT OF ANY INTELLECTUAL PROPERTY RIGHTS, STATUTORY, EXPRESS, IMPLIED, OR OTHER, ARE HEREBY DISCLAIMED.

20. LIMITATION OF LIABILITY.

a. IN NO EVENT SHALL HONEYWELL BE LIABLE UNDER THIS AGREEMENT, REGARDLESS OF WHETHER LIABILITY ARISES FROM HONEYWELL'S INDEMNIFICATION OBLIGATIONS HEREUNDER OR A BREACH OF CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), OPERATION OF LAW, OR OTHERWISE, FOR ANY SPECIAL INCIDENTAL INDIRECT, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES OF ANY KIND (INCLUDING, WITHOUT LIMITATION, ALL DAMAGES DUE TO BUSINESS INTERRUPTION, LOST PROFITS OR REVENUE, LOSS OR CORRUPTION OF DATA, OR LOST USE OF ANY PROPERTY OR CAPITAL) EVEN IF HONEYWELL HAS BEEN ADVISED OF OR IS OTHERWISE AWARE OF THE POSSIBILITY OF SUCH DAMAGES AND/OR CLAIMS.

b. ALL PRODUCT AND SERVICE CLAIMS ARE LIMITED TO THOSE EXCLUSIVE REMEDIES SET FORTH IN SECTION 14 (LIMITED WARRANTY) OF THESE TERMS AND CONDITIONS. HONEYWELL SHALL HAVE NO LIABILITY FOR ANY DAMAGES OR INJURIES ARISING FROM SERVICES PROVIDED BY BUYER TO ITS BUYERS, INCLUDING WITHOUT LIMITATION SERVICES PERFORMED BY BUYER ON HONEYWELL PRODUCTS SOLD HEREUNDER. NOR SHALL HONEYWELL BE LIABLE FOR ANY CLAIMS OF THIRD PARTIES RELATING TO THE PRODUCTS, SAVE THE INDEMNIFICATION OBLIGATIONS SET FORTH IN THIS AGREEMENT.

c. HONEYWELL'S AGGREGATE LIABILITY IN CONNECTION WITH THE AGREEMENT, THE PARTIES' RELATIONSHIP, THE SALE OF PRODUCTS, AND ANY PROVISION OF SERVICES TO BUYER, SHALL NOT EXCEED THE LESSER OF THE AGGREGATE PURCHASE PRICE OF THE PRODUCTS OR SERVICES PAID BY BUYER TO HONEYWELL FOR THE PRODUCTS OR SERVICES (i) GIVING RISE TO THE CLAIM OR (ii) PROCURED BY BUYER IN THE TWELVE (12) MONTHS PRIOR TO WHEN THE CLAIM AROSE.

d. BUYER WILL NOT BRING A LEGAL OR EQUITABLE ACTION AGAINST HONEYWELL MORE THAN ONE YEAR AFTER THE FIRST EVENT GIVING RISE TO A CAUSE OF ACTION, UNLESS A SHORTER LIMITATIONS PERIOD IS PROVIDED BY APPLICABLE LAW.

e. Buyer shall include a Limitation of Liability provision in any written contract it has with a customer to which it sells Honeywell products or its own services (each, a **“Customer”**). In the event Buyer does not have a written contract with a specific Customer, Buyer shall include a Limitation of Liability provision in the terms and conditions of sale provided to its Customers. For purposes of this Section, **“Limitation of Liability provision”** shall mean a limitation of liability provision that (a) is commercially reasonable under the circumstances and (b) includes both (1) an express disclaimer of exemplary, incidental, consequential, statutory, punitive, special, and indirect damages (including lost profits and lost revenues) by Buyer to the Customer, and (2) an aggregate cap on the liability of Buyer to the Customer not exceeding the cost of the Products or services purchased.

a. Buyer acknowledges that due to the unique nature and potential safety risks posed by certain Products Buyer is not authorized to perform design, installation, repair, or other services (**“Services”**) for its Customers on certain Products (**“Certified Products”**), unless it enters into a separate written agreement with Honeywell and complies with the required training and certification obligations of such agreement. Buyer further agrees that performance of Services for Customers on Certified Products absent adherence to the conditions in this paragraph will void the Limited Warranty on such Certified Products.

b. As of the Terms and Conditions Effective Date Certified Products include at least the following product lines, but may be amended from time to time: Notifier®, Gamewell-FCI Fire Control Instruments®, Farenhyt, Honeywell BDA Systems, and Pro-Watch®, xtralis® VESDA®.

Termination does not affect any debt, claim, or cause of action accruing to any party against the other before the termination. The rights of termination provided in this clause are not exclusive of other remedies that a party may be entitled to under this Agreement or in law or equity. Honeywell may suspend performance under this Agreement at Buyer's expense if Honeywell determines that performance may violate the law and/or cause a safety, security, or health risk.

Until payment, therefore, the relevant goods shall be held separately from the other Customer's goods. These goods must be maintained in 'as new condition' and clearly designated as Honeywell's property. Honeywell is authorized to enter on premises where the goods are stocked, inspect these and remove them if the Customer is in fault. If Honeywell's property is not clearly designated, Honeywell may remove any Honeywell branded products.

In case of any complaint about an invoice, the customer has to transmit a written complaint to the administration department within 10 days from date of invoice. Thereafter, no more corrective actions, like issuing credit notes, can be made.
